TRAVEL INFORMATION : COVID-19

The safety and wellbeing of our guests, team members, and community are our number one priority today and every day. We wanted to update you on the actions we have taken in response to COVID-19 and assure you we are taking every possible effort to keep you informed and provide the level of service that you require to confidently travel, manage bookings and plan around these unprecedented circumstances. Due to the COVID-19 health crisis, the Hotel Bellwether and the Lighthouse Bar & Grill will temporarily not be accepting reservations until April 29th, 2020. If you have a special group need to assist in the COVID-19 crisis management, call our direct line at (360) 392-3100 for assistance.

The Hotel Bellwether is prepared to open immediately when travel restrictions and social distancing requirements are lifted.

Cancellation Policy & Booking Flexibility

We know that flexibility is what you need right now. We are waiving our 24-hour cancellation requirement for existing and new bookings through April 30, 2020.

For bookings beyond April 30th, 2020 we want to remind you of the flexibility already built into our rates and packages that allow you to adjust your travel plans. Our flexible rate allows you to change or cancel reservations up to one day prior to arrival. Changing the date on any reservation may result in different pricing, but there are no fees for making changes. To inquire about any booking contact the hotel or our reservations team.

If you are planning to travel, you can find the most up-to-date CDC information for travelers regarding COVID-19 [here](#). We hope this helps you to plan and book any future travel with confidence.

Groups & Meetings Bookings

We will work with you to manage any changes needed on a case by case basis. The Hotel Bellwether is actively working to address the needs of each group, including moving event dates to another time. Please contact the hotel sales team directly to review the options for your event.

We will continue to monitor the situation and will adjust this policy as needed.
