LIGHTHOUSE BAR & GRILL
ON BELLINGHAM BAY

COVID-19 UPDATES

At all times, especially in this uncertain climate, we want to assure you that the safety and wellbeing of our guests and staff is our highest priority. The team at Hotel Bellwether is here to provide you with a safe and relaxing stay. We have taken thorough measures to deep clean the hotel, ensuring our guests of a safe, well maintained environment.

Here are a few of the measures we are taking to enhance your stay with us:

- No contact check-in with sanitizing procedures in place after every guest interaction
- Increasing hand-sanitizing stations to enable staff and guests to disinfect their hands more frequently
- Promoting frequent hand washing of all guests and employees
- Increasing the frequency and intensity of cleaning and disinfecting of high-volume, high-touch areas (i.e. ice machines, doorknobs, elevator buttons, luggage carts, etc.)
- Guests will be given the option to opt-out of the regularly scheduled housekeeping services
- Enhanced cleanings and elevated sanitation standards throughout guest rooms
 - All guest room items such as remote controls, thermostat, telephones, etc. will be sanitized in our daily housekeeping service
 - All cleaned and ready guest rooms are inspected, sanitized, and disinfected with the appropriate CDC approved measures
- Encouraging guests to wear masks when around other guests and maintain a 6-foot distance while in public areas
- Screen employees for signs/symptoms of coronavirus at start of each shift
- Educating our employees about the coronavirus and how to prevent transmission
- Requiring all employees to wear masks and maintain a 6-foot distance
- Monitoring health departments at the local, state and federal levels to ensure we receive the latest updates and protocols

Special hotel room requests or concerns on cleaning procedures can be discussed directly with our Front Office Manager by calling (360) 392-3178.
